Shannon,

I can do the separate amendments tonight but they will need to go through editing and word processing in the morning. I will mark them for 9 AM but depending on what other work is in editing, the time might slide a bit.

Hi Jeff,

I am going to change the request a little bit I apologize.

Can we have two separate amendments.

Both items that you mention but separate amendments.

- 1) it makes the whole bill subject to approval at a referendum
- 2) it changes the date of the referendum to November 4, 2014

I apologize again. Let me know if that is possible for tomorrow. I would like to take them to caucus at 9am tomorrow if possible.

Thank you so much

Shannon,

Your amendment will be LRBa0456/1. It is based upon LRB0401/1. It does 2 things: 1) it makes the whole bill subject to approval at a referendum; and 2) it changes the date of the referendum to November 4, 2014. I think this is what you are looking for. If not, please let me know.

Hi Jeff,

I was looking at what the Assembly introduced on the floor and I don't know if it was the same as the attached or not. But we would like the attached amendment to fit the engrossed AB85 that the Senate will take up tomorrow.

Let me know if you have questions.
